# Support and align career growth using Fuel50's Goals & Objectives

Support your employee's career growth journey with goal-setting and action plans. Promote leader conversations and align against organizational objectives. Give your people a place to catch and celebrate their wins, generate reports on their achievements, and support HR with talent objectives and timelines.

Integrate Goals, Action Plans and Milestone Celebrations to promote internal career development and talent-building.

What Fuel50 Goals includes

- Intuitive, visual interface that integrates with the entire Fuel50 ecosystem.
- Add goals and actions based on talents, target roles, and key development areas.
- Explore organization goals within the same dashboard.
- Easily catch your wins at any point in your career.
- See your action plan and easily generate reports.

@FUEL50

Purpose & Vision

Empower your people with a clear sense of purpose, vision and actionable career development steps.

Celebrate Wins

Create an internal culture where wins, achievements and milestones are recognized and celebrated.

Career Tracking

Give your employees a way to track their career growth with goal-setting and action plans.

YOUR *future*, OUR PASSION™
