

THE FUTURE OF WORK

Fuel50 is your new AI Talent Marketplace

Fuel50 is the skills-powered Talent Marketplace solution that smart-matches your people to personalized opportunities – career journeys, coaches and mentors, learning, jobs and vacancies, gigs, and projects. Harness next-gen workforce data, power internal talent mobility, drive workforce agility, and future-proof your organization.

Employees

Employees get a clear sight-line to opportunities across the business and take real-time action within the marketplace.

Leaders

Leaders can see their talent, support career growth, build their teams, and have great career conversations with their people.

HR

HR harness workforce insights and powerful talent data to support future people initiatives and key organizational strategy.

Fuel50's Talent Marketplace delivers measurable impact

Fuel50 has impacted 80+ leading organizations across the globe.

- +55%** Increase in workforce mobility over two years
- 60%** Decrease in employee churn where Fuel50 was used 3X
- 30%** Increase in organization-wide engagement in just 12-months

Fuel50 is the only proven marketplace solution that has delivered talent retention and workforce mobility at scale.

Fuel50 continues to do the things that nobody else can do.

Hyper-Personalization

Build your unique career DNA within Fuel50 and become immersed in your own personalized marketplace experience.

Advanced AI Career Journeys

Fuel50 has integrated its world-renowned career journeys solution seamlessly into your marketplace.

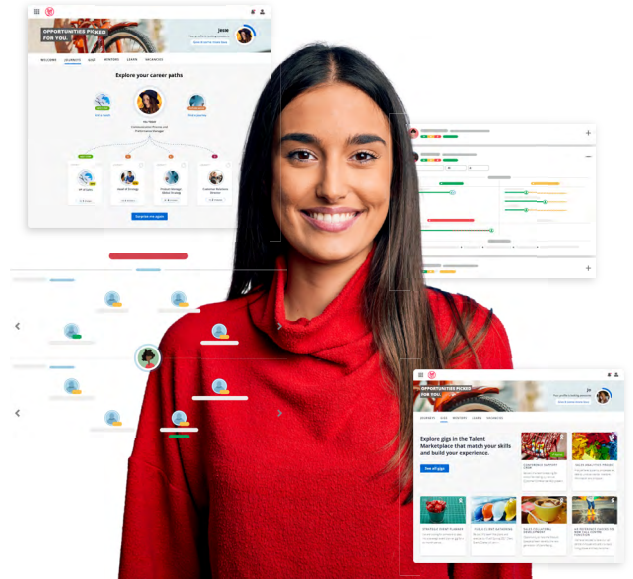

Talent Mobility & Workforce Planning

Surface deep talent insights, design your teams, manage pipelines, and power your succession and redeployment.

AI Architecture

We've reinvented the architecture ecosystem, for good. It's time to go beyond linear, clunky career frameworks.

Reimagine the workforce with Fuel50's AI Architecture

Fuel50 and its all-star team of I/O Psychologists, Workforce Architects, & AI Trainers have worked with leading brands around the world to tackle one of HR's "unsolvable challenges" — career frameworks.

Fuel50 has created a scalable, sustainable, zero-bias next-gen AI Architecture solution that will not only change your career framework but will power your Talent Marketplace for the future.

Plug in your own skills taxonomy or use the game-changing Fuel50 Talent Ontology™ which is designed for the modern workforce.
